

EITZEN GROUP
Est. 1883

*EMS Ship Management is one of the leading ship managers in the world.
We are certified to the highest quality standards of ISM, ISO, TMSA, ISPS and have years of
experience in managing LPG Carriers, Chemical Tankers, Product Tankers, VLCC,
FPSO/FSO, Bulk Carriers and Heavy Lift Ships.*

We are seeking motivated individuals to join our team at Singapore for the following positions:

SUPERINTENDENT / SENIOR SUPERINTENDENT

Responsibilities:

- Responsible for operations of assigned vessels
- Ensure that vessels are maintained and operated to the company's standards, fully complying with applicable maritime and environmental regulations and requirements.
- Follow up on technical matters, planned maintenance and relevant services, vetting and audits related to the vessels, including dry-docking & repairs.
- Maintaining and continuously improving delivery to customers.
- Cost control, preparation and follow-up on budgets.
- Visit and inspect vessels at regular intervals.

Required Qualifications:

- Class 1 Certificate of Competency and sailing experience as Chief Engineer of 2 years onboard gas vessels.
- Preference will be given to candidates with prior experience in shore-based technical operations of Gas vessels.
- The candidate must be fluent in English and should have good knowledge of MS Word and MS Excel.

Commencement: As early as possible

We offer: An opportunity to work in a dynamic organisation operating a diverse fleet supported by excellent team work.

Remuneration package: Attractive package commensurate with experience and qualifications
