'EMS SHIP SUPPLY' AND 'ARMA MARINE SERVICES S.A.' COMBINE THEIR STRENGTHS

EMS SHIP SUPPLY and **ARMA MARINE SERVICES S.A./TURKEY** (ARMA Int. Ship Supply & Foreign Trade Inc.) signed an agreement, on December 29, 2009. The agreement was signed by Mr. Per Lokkegaard on behalf of EMS Ship Supply and Mr. Osman Bilgin on behalf of ARMA MARINE SERVICES S.A.

With this agreement EMS Ship Supply, appoints the company ARMA MARINE SERVICES S.A. as its exclusive supplier for all Turkish Ports, Straits and Offshore Services. ARMA MARINE SERVICES S.A. shall utilize EMS Ship Supply as its supply service partner for deliveries in ports outside Turkey where EMS is present or/and can deliver. As per the Agreement, ARMA MARINE SERVICES S.A. shall be entitled to describe itself as the **"Turkish Representative of EMS Ship Supply"**. The agreement will be in effect as of January 01, 2010.

Following the signature process, Mr Lokkegaard, VP Global Sales and Marketing from EMS Ship Supply, said that *there are huge opportunities in a partnership as the one that we have signed today; the synergies that can be profited by having two compatible companies working together represent a real value to our customer base. We at EMS consider ourselves a link that adds value in the Supply Chain; clearly in an agreement such as this, the customers win by having the peace of mind of being served in any Turkish port by a company that has the reliability that comes with the trademark EMS Ship Supply*".

Mr. Bilgin from the company **ARMA MARINE SERVICES S.A.** said, *"What an exciting year this is for ARMA as We're celebrating our 10th Anniversary!, Since 2000, we have been supplying to the ships on the market by our own company brought by experience and a long, colorful, illustrious history in the shipping sector for 17 years.*

As is understood from our company's slogan (Our priority is always the customer's demands), we are always focused on, from the date of our company's establishment, how we can give best service and make our customers to be delighted any further. In a short time, with the experiences we have gained day by day, we have positioned a top spotlight among the colleagues/companies doing the same job in Turkey; become one of the companies that lead the sector. With this agreement, we have taken one more step to give higher quality service to our customers by the help of the wide experience and the global network of EMS SHIP SUPPLY.
