### **EMS: New military contract**

Eitzen Maritime Services ASA today announced that its Ship Supply division has been awarded a delivery contract by the armed forces of an undisclosed NATO country. This is the first contract with this customer. EMS will supply provisions from its Dubai facilities throughout 2009. The contract is for one year with a potential option for extension based on performance and is expected to represent a value in excess of USD 1 million. The contract is the third significant military contract for EMS so far in 2009.

EMS is a diversified maritime services group. The Ship Supply division is the world leader in ship supply and serves the merchant fleet, cruise and ferry fleets, fishing vessels, naval vessels and offshore installations around the world.
